### ***How Sweet The Sound - What a friend we have in Jesus***

How often do you pray? (Be honest.)

Why don't you pray more often? Do you find prayer too complicated? Too boring? Not effective?

In what ways do you consider Jesus a friend? (John 15:5) How do you treat Jesus as a friend?

What do we learn from prayer from these scriptures:

- **James 5:16,**
- **1 Peter 5:7,**
- **Philippians 4:6-7**

How has prayer strengthened your relationship with God?

Which of these do you want to do more of with God:

- Talking to God
- Venting to God
- Listening to God
- Thanking God

What is one step you can take this week to grow in this area?
